Principal's Message

Dear Parents, students and well-wishers of the DAM Technical College - my prayerful greetings to all of you. First and foremost I would like to express my deep sentiments of gratitude to every one of you for your constant support, love and concern towards the college which enabling and encourages us to strive hard to carry forward the mission of spreading value-based knowledge to one and all.

Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. This is an ennobling process of growth. I can boldly say that we have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing quality education. We focus on discovering, developing and drawing out the hidden talents and the magic lying dormant inside all of its students. From academics to co-curricular activities, perseverance and a never-say-die spirit are entrenched in the heart of every student not only making them good students but brilliant human beings. In today's dynamic world, a 360 degree development and grooming is of supreme importance and through our campus we are creating an environment for future leaders, entrepreneurs and professional who possess skills and aptitudes in an array of functional disciplines.

I am very happy with the progress the college has made by imbining in its students value based education synergized with modern teaching-learning methods to produce a generation of well informed and emotionally sound generation. I am positive that in times to come we will continue this journey with elevated enthusiasm and persistently provide a platform of holistic learning to the young generation of learners.

We are partners in learning with our students and seek to deepen their knowledge, provide enriching and innovative learning experiences, while also gently urging our students to come out of their comfort zone to attempt new challenges.

Our students graduate with the skills, mind sets and qualities that will best equip them for success. Come on let's give our best and make this institution a modern temple of learning through our diligence, devotion and dedication. Wishing you all the best...! in the world of the future. They are the future leaders and role models of society.

Mr Zifiso Tshaka
Principal

”

In order to qualify for the National Senior Certificate (NSC)

A Learner must have passed six subjects which must include two languages one done as a home Language another as First Additional

Subjects to be recognized.

Senior Certificate subjects credits that were passed prior to June 2015, at Higher Grade and Standard Grade levels, excluding Lower Grade conversions, will be recognized.

In the case of learners, who have attempted the National Senior Certificate examinations, but were unable to complete all the subject

Requirements, and have exhausted the 3 year validity period allowed for the School Based Assessment (SBA), such candidates will have all their previous credits recognized. These include learners who wrote in 2008,2009, 2010, 2011

FIELD : COMMERCIALS	FIELD : HUMANITIES	FIELD : Sciences
Two Languages	Two Languages	Two Languages
Plus 4 Subjects	Plus 4 Subjects	Plus 4 Subjects
Accounting	Geography	Life Sciences
Business Studies	History	Physical Science
Economics	Religious Studies	Math Literacy/Math
Math Literacy/Math	Math Literacy/Math	Computer Application Technology
		Agricultural Sciences

Credit Transfer.

Adults learners who have approved senior Certificate subjects credits will be credited towards the six subjects needed to get the qualification. For example if you have accumulated credits for 3 subjects you just do another 3 subjects to get the qualification. But the rules regarding languages must be followed.

Curriculum and Assessments.

This will be based on the current National Senior Certificate, excluding the School-Based Assessment (SBA) component.

This means, the Curriculum and Assessment Policy Statements (CAPS)

Will apply to this new qualification.

EXAMINATION AND CERTIFICATION

Examinations will be written in June/July. Candidates writing the amended Senior Certificate Exams will be exempt from School based Assessment, this implies that the examination in the subject will constitute 100% of the final mark.
